Simplify Labeling

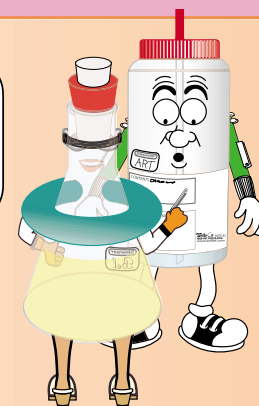

Large dedicated labeling areas help to standardize the way bottle contents are identified. A separate area is provided for name and a larger area allows for detail of contents or safety information and includes a defined space for date information. Bottles are molded of rugged HDPE in 500 and 1000ml

(16 & 32oz) sizes and are available as narrow or wide mouth with leak proof polypropylene cap. Ideal for storing and transporting liquids or dry material.
