

## METER ACCESSORIES

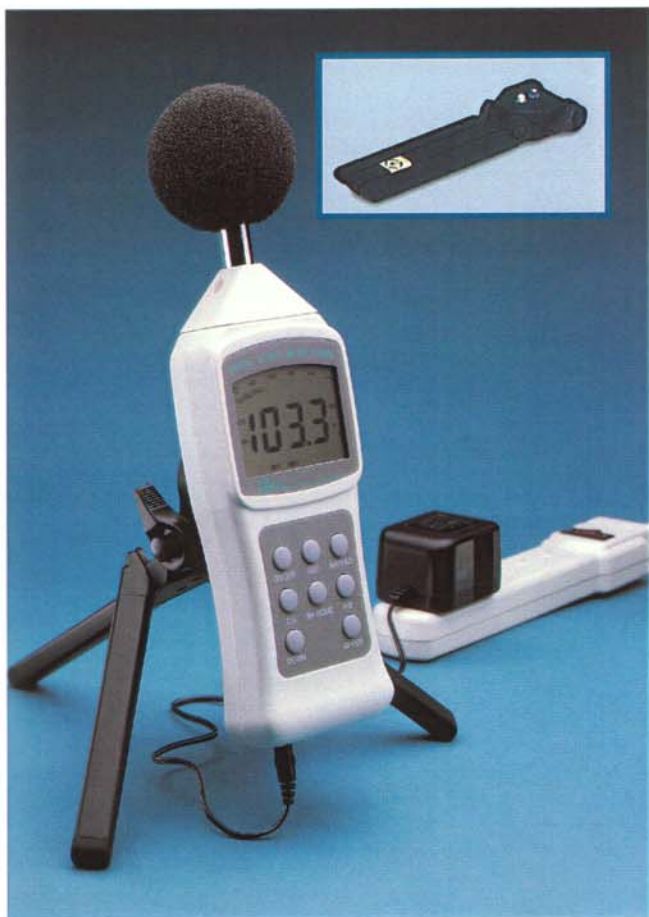

### **WATER RESISTANT INSTRUMENT POUCH 840090**

Fits all Sper Scientific Meters and helps protect them from the elements during field work. The pouch enables the user to read and operate the instrument inside while the probe extends outside. Has a carrying strap and a Velcro sealed top.

Dim: 9" x 7" (229 x 178 mm).

Rev. 03/07/01

#### **SOUND METER WINDSCREEN 840091**

Fits all Sper Scientific digital sound meters

#### **AC ADAPTOR 800003**

For meters: 800005  
800006  
800008  
800009  
800014

#### **AC ADAPTOR 840027**

For meter: 840028

#### **BENCH-TOP TRIPOD 840092**

Sturdy and stable when open and folds to a neat flat 8 3/4" x 2 1/2" x 1" for easy carrying and storage. Weight: 12.3 oz. Usage height: 6 1/2".

#### **FIELD TRIPOD 840093**

Lightweight at only 2.2 lbs, yet strong and stable. Three sections lock into place at any height up to 57" but folds down to 21" in length for carrying and storage. 2 way adjustable head.

Both tripods fit any meter with a threaded tripod attachment, including Sper Scientific meters:

800005	800014
800006	840019
800008	840028
800009
