Actual Size

CLIP-ON STOPWATCH 810016

Clip to your key chain or belt loop and have it available whenever you need a stopwatch. Despite its low price and miniature size of only 2" x 1½" x ½" (55 x 35 x 15 mm), Clip-On Stopwatch is a full function stopwatch packed with features including:

- Single event, start/stop and lap functions
- 1/100th second resolution
- Alarm clock with selectable 12/24 hour format
- Calendar
- Thermometer in °C
- Compass

Counts up to 24 hours. Although tiny and weighing only 1 oz (27 g), Clip-On Stopwatch's large LCD and buttons make it comfortable to work with. One button cell battery is included.

With NIST traceable certificate of compliance 810016C
